

1. A SAFER AND MORE ACCESSIBLE UNIVERSITY FOR ALL

- Ensuring every student feels safe and welcome to study and engage with other students at the University
- Working to ensure that Regents becomes more accessible for students of all abilities, regardless of your disability
- Social spaces and toilets that all students can use without feeling victimized
- A better complaints process for our students across campus and in halls.

2. AN UWSU FOR YOU

- Raising greater awareness of what the Union is working on for you
- Emergency sanitary products in SU offices as we already have condoms
- Telephone lines: International students to call home in emergencies & for students that need help with bills
- Greater push for a central bar space with discounts for UWSU students

3. MORE TRANSPARENT & VISIBLE SERVICES

- Greater awareness of what your officers do
- Better visibility for SU staff and how to contact them
- Ensuring students know what services are available and when they can access them

4. SPORTS AND SOCIETIES

- Inter - campus sports events to encourage participation
- Sports and societies forums for better and wider reaching campaigns
- Rewarding the more active sports and societies with year round promotion on campus
