

RE-ELECT FREYA #1 UWSU PRESIDENT

English Literature and Creative Writing BA (Hons)

I have been honoured to represent Westminster students as President of the Students' Union. Together, we have grown as a community; celebrating our diverse student body. But it's not over. I'm not finished yet. Students, you have a voice, and it's not being heard loud enough. From the creative Harrow minds, the slick consultants in Marylebone, the innovative Cavendish brains, and the dynamic personalities of Regents & LTS, I love and appreciate all your voices. Your unique voices. But together, we can be stronger. One Inclusive Voice.

ONE – We are Westminster

- Create 'We are Westminster' a brand the SU aligns to
- Structure the Union in a way that students need
- Restructure Chiswick Playing Fields and Harrow Sports Hall

INCLUSIVE – Celebrating diversity

- Make each campus accessible for all students
- Support our growing population of students affected by mental health

VOICE – Building a platform

- Build an Executive Student Council
- More transparent room bookings and external speaker policy
- Help our Media, Sports and Societies to seek National recognition

We are Westminster. We are, One Inclusive Voice.
